- Awards:** Inform the membership of Society’s awards, seek nominations, and coordinate the selection and presentation of these awards.
- Banking, Industry & Government:** Address the needs of CPAs in banking, industry, and government, and encourage their active participation in the Society. Develop collaborative opportunities with other professional and industry groups.
- Recruiting & Career Opportunities:** Stimulate the interest of college students and faculty in the accounting profession. Help employers find employees and interns through an annual recruiting fair. Promote college accounting student awards and recognition.
