- Awards:** Inform the membership of Society's awards, seek nominations, and coordinate the selection and presentation of these awards.
- Banking, Industry & Government:** Address the needs of CPAs in banking, industry and government, and encourage their active participation in the Society. Develop collaborative opportunities with other professional and industry groups.
- Recruiting & Career Opportunities:** Stimulate the interest of college students and faculty in the accounting profession. Offer programs in public schools, colleges & universities to educate students about career options in the accounting profession.
